Innovation Workshop: PART 1

In Innovation Workshop—Part 1, we will introduce you to the world of Schluter®-Systems and give you a solid overview of the applications where our products are most often used.

Medicine Hat, AB November 16-17, 2022

This two-day workshop includes classroom instruction, live demonstrations and practical hands-on activities.

Learn how to:

- Prevent tiles from cracking with Schluter®-DITRA
- Protect tile edges with Schluter® profiles
- Provide effective moisture management using Schluter®-KERDI
- And more!
